BABIES BEING MEASURED.

A Large Number Entered for the Contest to Be Held On the Fourth.

Every baby in Maryville is being measured.

The better babies contest is awakening greater interest than the boys and girls' corn and domestic science contests.

There is such a demand for tape lines and yard sticks that merchants who are carrying those things are afraid they are going to run out, and neighbors are borrowing from each other to measure the baby. Monday evening found curious gatherings in houses all over town where there was a baby to witness the measuring process, to the delight or disgust of the little victim.

The committee of the Mothers' Circle has been answering phone calls all morning, giving information as to entering the babies in the contest, and the store of M. A. Turner and the Bee Hive, where the application blanks have been placed for those who wish to call for them, are kept busy, answering questions.

Examination and measuring of the babies in the contest by the physicians will begin Friday morning of July 4th, promptly at 9 o'clock at the First Christian church, and the work will close at 12 o'clock.

It is hoped by the committee that all of the town babies will be brought to the church as early as possible, so that the babies from the country who are likely to arrive later may be examined as soon as they arrive.

The merchants of our city are becoming interested in the better babies contest and have offered to give second prizes, the list of which will be published Wednesday.

The following are the babies entered for the contest up to Tuesday noon:

Ruth Thompson, daughter of Harry Thompson.

Frances Louise Masters, daughter of Mr. and Mrs. W. P. Masters.

FLY IN THE WHEAT

FIRST APPEARANCE OF HESSIAN FLY IN THE COUNTY.

WILL COST HALF CROP

The Remedy is Burning Stubble and Crop Rotation—Field Attacked in Wheat Four Years.

The Hessian fly is attacking the wheatfields in Nodaway county.

This morning George Aley, who lives one and one-half miles north of the Burlington station, came to Prof. John Cameron at the Normal and asked him to come and inspect his wheat, which is falling down and blighting. Upon going to the farm with Mr. Aley and looking at the wheat, Mr. Cameron found that it was infested with the Hessian fly.

This is the first time, Mr. Cameron says, that he has ever seen the fly in Nodaway county, although it has been known in Missouri for a number of years.

The Hessian fly is an enemy of wheat only, no other grain being attacked by it. It feeds on the lower leaves and stalk of the grain, causing it to fall and killing it. In the fall, after the newly planted wheat sprouts, the fly lays its eggs, 100 to 150 of them, on the lower leaves of the plant. These eggs hatch into small white grubs, which feed on the young plants. When winter comes these grubs enter the pupae or "flax seed" stage, so called because they resemble flax seeds. In April and May the young flies hatch out, begin feeding on the wheat, and in turn lay their eggs.

The method of treating these pests, says Prof. Cameron, is to burn the stubble in the fall and then put in some crop other than wheat the next year. In this way the larger part of the eggs and pupae are destroyed by the fire. Of the few which do hatch the next spring, the most of them die before they are able to fly to another field.

The great danger is in replanting the same field in wheat year after year. In this way the fly gets a start, a factor which is done away with when crops are rotated. The field which Prof. Cameron inspected this morning has been in wheat for four years, and Mr. Aley will get only half a crop from it this year.

TO MAKE KANSAS HER HOME.

Miss Myra M. Kern of This City to Take Up Work of Lecturing in That State.

Miss Myra M. Kern, daughter of Mr. and Mrs. A. Kern of this city, is to make her home in Kansas. In this month's issue of "Our Messenger," the official organ of the Kansas Woman's Christian Temperance Union, appears an article about Miss Kern as follows:

Miss Myra M. Kern, who holds her membership in a Topeka union and expects to make Kansas her future home, has spent a week in First District.

There was haevy rain at the hour of meeting and other unfavorable circumstances hampered her work. But we hear of several large and appreciative audiences. Rev. Mr. DeVoe, pastor of the United Brethren church at McLouth, stated publicly that he considered Miss Kern's lecture "as good as those we had on our lecture course last winter."

This coincides with the report that was put before us by the Holton Union where she spoke last November. Mrs. McAllister, secretary, wrote us: "The Holton Record said it was one of the best ever given in this city, and that is saying a good deal, this town being a college town has many good things."

Miss Kern has specially prepared herself for Institute work. She comes to us with excellent recommendations from other states."

St. Joseph Guests.

Mr. and Mrs. Forrest W. Hobbs, newly weds from St. Joseph, spent Tuesday afternoon in Maryville with Mr. and Mrs. M. A. Turner. They have been visiting at Burlington Junction with Mrs. H. A. Webb and Mrs. William Hobbs, returning home Tuesday evening.

Has a New Machine.

The Wiley laundry, on West Third street, received last week a new flat work ironer machine, weighing 14,000 pounds. It takes six hands to run the machine and family washing can be done better and satisfactorily now.

Mrs. G. B. Ulmer of Hopkins, who has been taking treatment at St. Francis hospital for abscess in one of her ears, returned home Tuesday.

DATE, MONDAY, JULY 14

There has been quite a lull in commencements for the past few weeks, because all the schools in the city have had their commencements, but now comes the Business College with a class of thirty-nine and with a commencement program set for Monday, July 14. One noticeable feature about this commencement is the fact that practically all of these thirty-nine graduates have already secured positions, and it is possible that they may be unable to attend.

The class address will be given by Rev. A. R. Liverett, from Jefferson City, Mo. Rev. Liverett is chaplain of the Missouri legislature and a speaker of excellent ability. His address promises to be one worth while, and will no doubt secure a large audience.

HAD HOME-COMING DAY.

Centenary Church Had Big Time Sunday in Perry Messick's Grove, Southwest of Barnard.

The annual home-coming day exercises of the Centenary Methodist Episcopal church, located in Nodaway county and about nine miles southwest of Barnard, were held Sunday in the Perry Messick's grove, about ten miles southwest of Barnard. It was well attended and the basket dinner at noon was one of the main features of the day. The day's exercises opened with Sunday school, after which Rev. Lucius L. Smith of Fillmore, pastor of the church, gave an excellent sermon on the subject of "The Church."

After the dinner E. J. Howland of Maryville gave a talk on Sunday schools. This was followed by a sermon by Rev. N. E. Bottom of Bolckow.

Many from Maryville attended the services. They were Charles Eckert and family; Carl Murray and family; George McMurray and family; Miss Nellie Alkire, Miss Mary A. McCall, Mr. and Mrs. Arch McMaster of Hopkins; Mr. and Mrs. W. P. Howland and family; Mrs. Elizabeth Howland and son, E. J. Howland and daughter, Miss May Howland, and Dr. and Mrs. H. E. Moss of Kansas City.

In the afternoon many recitations and drills and songs were given by the young people, which were very much enjoyed by the people.

DEATH OF MRS. PIERPOINT.

Maryville Resident Passed Away Tuesday Morning at Daughter's Home, Near Maitland—Funeral Here.

Mrs. D. C. Pierpoint of South Vine street passed away Tuesday morning at 3:30 o'clock at the home of her daughter, Mrs. Earl Jester, at Maitland, with whom she had been visiting a few weeks. The direct cause of her death was the accident she suffered a week ago Monday, when she fell and broke her left hip. Having been in feeble health for some time from several light strokes of paralysis in the past six years, she was unable to rally from the nervous shock of her fall, and her death was expected by the family.

The body will be brought to her late home in Maryville Tuesday afternoon at 5 o'clock, where the funeral services will be held Wednesday afternoon at 2:30 o'clock by Rev. J. D. Randolph of the Buchanan Street Methodist church. Interment will take place in Miriam cemetery.

Mrs. Pierpoint, whose maiden name was Nellie McKay, was born near Cincinnati, O., March 27, 1847. On March 30, 1867, she was married to Mr. Pierpoint. They lived in West Virginia, near Sistersville, until 1870, when they came to Nodaway county and settled on a farm near Ravenwood, where they lived until about 1895, when Mr. Pierpoint retired from active farm life and moved to Maryville. Mrs. Pierpoint united with Harmony Methodist Protestant church many years ago and lived a quiet and consistent Christian life. Always gentle and kind in speech and manner, she leaves a pleasant memory to family and friends.

She is survived by her husband and six children, who are Dr. J. E. Pierpoint of Skidmore, Mrs. Will V. Bishop of Ravenwood, Mrs. Earl Jester of Maitland, Mrs. B. C. Miles of Fillmore, Mrs. R. E. Ferguson of Elmo and Alva Pierpoint of St. Joseph.

TEACHERS' MEETING IN AUGUST.

At the Same Time School Boards of County Meet Here in Compliance With New Law.

The three days, August 28, 29 and September 1, will be busy days in the affairs of the Nodaway county schools. The school boards and the county teachers' meeting will be held in Maryville, August 28 and 29, and Prof. Oakerson is planning for the opening of all the rural schools September 1.

Under the requirements of the new school board law passed by the state legislature a short time ago the school board of each school district will meet in Maryville August 29. This board consists of the president and clerk of each school district in the county, and the law requires them to attend the meeting. Each person who attends is allowed $1.50 per day and 5 cents per mile for mileage for the distance from his school house to the place of meeting.

The county teachers' meeting will be held in the Maryville high school building both days, August 28 and 29.

County Superintendent Oakerson, in asking that the rural schools open September 1, does so that the work throughout the county may be uniform. He also asks that all school premises be put in order during July and August. The school houses should be well cleaned and repaired, the yards should be mowed before August 1, as the grass and weeds get hard and stubby after that, and the wells should be cleaned out and all outbuildings put in good condition.

COLORED PEOPLE TO CELEBRATE.

Annual Emancipation Day to Be Observed in Maryville—Will Be Held August 6.

The colored people of the city will celebrate Emancipation day this year August 6, so they decided at a meeting held at the A. M. E. church on Monday night. The arrangements for the celebration have not as yet been made, but will be within the next few weeks.

The celebration committee is composed of A. A. Williams, president; A. Allen, vice president; O. R. Vance, secretary; Rev. J. R. Carter, treasurer; Rev. Wm. Mitchell, chaplain; finance committee, C. C. Baker and George Omsley; committee on arrangements, A. Allen, Wm. Palmer and G. L. Gooden; Harley Page, flag bearer; J. M. Palmer, officer of the day.

Improving Michau Building.

The Michau building is being newly papered and otherwise improved in the upper stories.

TWO DIDN'T COME

WARRENSBURG AND CAPE GIRARDEAU NOT REPRESENTED.

FOR A LONGER COURSE

Normal Heads Would Make Requirement 90 Hours Work Instead of 67 as at Present.

Neither W. S. Dearmont, president of the Cape Girardeau normal, nor W. J. Hawkins, president of the Warrensburg normal, arrived in Maryville to attend the conference of normal school presidents. It is barely possible that President Dearmont may come Wednesday morning. President John R. Kirk of the Kirksville normal returned to Kirksville Monday night. President W. T. Carrington of the Springfield school remained in town, spoke to the Normal students this morning, and will attend the Commercial club dinner tonight. He will leave for Springfield Wednesday morning.

Mr. Carrington, in his address to the students this morning, said that the normal schools did not have a high enough standard. The present standard calls for sixty-seven hours work. The plan of the heads of the normals is to have the work of the schools reach a standard of full college rank, 120 hours in most colleges and universities. By September, 1914, the normal schools will require 90 hours work, which falls short of college requirements by a year's work.

"The presidents of the three older normals have been saying that the two new normals, Maryville and Springfield, have been doing exceedingly well under the circumstances," said President Carrington. "I want to say, however, that we are doing as well now as they are."

The Commercial club dinner will be served at 7 o'clock this evening in the Linville hotel. W. A. Blagg, president of the board of regents; President Ira Richardson and President Carrington will be the speakers of the evening. E. C. Gurman will act as toastmaster. Music will be furnished by Prof. Maulding's orchestra.

THEY EXPECT GREAT THINGS.

Prominent Educational Journal Tells of Mr. Richardson's Many Qualifications.

In the Journal of Education, published at Boston, Mass., in the issue of June 26, appears an article in regard to the new president of the Normal school here, Ira Richardson. The article is as follows:

The Maryville Normal school in Northwestern Missouri is the youngest of the five teacher training institutions of the state, and has one of the finest building equipments in the country. The country round about is rich and the people in town and country are prosperous. The school has had only one misfortune, that of frequent change in administration, and now Dr. H. K. Taylor who has been there but four years, retires. He is succeeded by Ira Richardson, principal of the training school and head of the department of education. Mr. Richardson is as closely identified with education in Missouri as is the president of any of the normal schools. He has been a teacher in a rural school, superintendent of city schools—Shelbyville four years and Shelbina six years—and county commissioner of schools. He studied at the Missouri state university and took his master's degree at Teachers' college, New York. He occupied the same position in the state normal at Springfield, Mo., that he has had at Maryville for two years. We have spoken at usual length of Mr. Richardson's equipment and experience because it is significant of what may be expected of this normal school.

Home From Des Moines.

Miss Elfreida Linville and LeVeta Awalt of St. Joseph returned home Monday night from Des Moines, Ia., where they have been spending two weeks at the home of Elfreida's brother, Harry H. Kerr. They were accompanied home by Margaret Kerr, who will visit her grandparents, Mr. and Mrs. J. T. Linville, and Mr. and Mrs. A. M. Howard.

Communication

About Concessions.

In regard to concessions on our streets on the Fourth of July. So it will be plain to all who desire concessions, the committee in charge wishes to make the following statement at this time:

We would like very much to accommodate every one, but this is impossible for good and sufficient reasons. It must be taken into consideration that the business men of Maryville have made it possible for us to have this celebration by reason of their generous donations, and it is only right that they be protected. We do not think it right to take their money and then turn the streets over to those who have not contributed one cent. It is not fair, and we will not do it. Concessions for amusements will be granted, but no concessions will be granted for other purposes that come in contact with our business men, who have made this celebration possible.

President 4th of July Celebration Committee.

Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Miss Marie Douglass, a daughter of Judge and Mrs. J. Ed Douglass of Plattsmouth, Nebr., and a granddaughter of Dr. and Mrs. J. W. Dean of this city, was married Saturday afternoon at the home of the bride's parents, to Ewald O. Stiehm of Lincoln, Nebr. The bride's sister, Miss Vesta Douglass was bridesmaid and the groom's brother, W. A. Stiehm of Johnson's Creek, Wis., was best man. The bridal couple left for a summer's honeymoon at Johnson's Creek after a brief stop in Chicago. They will be at home at Lincoln after September 1 at 2121 Sheridan boulevard. Mr. Stiehm is head coach and director of athletics at the Nebraska state university at Lincoln. His bride spent two years in Lincoln as a student at the university. Mrs. Stiehm has frequently spent the summer in Maryville with her grandparents and has quite a number of friends here.

Married a County Recorder.

Miss Elsie Liggett of Stanberry, who had charge of the domestic science department of the Maryville high school two years ago, was married Monday, June 30, in Des Moines, Ia., to Mr. Don Hawthorne of Stanberry, who is the county recorder of Gentry county. Mr. and Mrs. Hawthorne left immediately after the ceremony for a month's honeymoon trip to the northern lakes. They will be at home in Stanberry after August 1. Aside from his official duties at the county seat, Albany, Mr Hawthorne is a member of the Big Four hardware store at Stanberry. Gave 12 o'Clock Dinner.

Miss Emma Eaton was the hostess of a 12 o'clock dinner Sunday at her home, two miles west of Barnard. Plates were laid for sixteen guests. Eaton, having left a few days previous for Virginia to attend the anniversary celebration of the battle of Gettysburg, which opens July 1. The guests were Miss Leona Buttman, Miss Ruth Turner, Miss Edna Blagg, Miss Mary Snyder, Miss Ruth Snyder, Miss Grace Randlemann, Miss Wyatt, Mr. Cleta Rasco, and Messrs. Floyd Randleman, Lester Randleman, Walter Hagan, Hal Turner, Everett Davis, Jay Wyatt, Fred Goff, Chester Baun, Joe C. Eaton. After dinner the party went car riding and returned in the evening and were served ice cream and cake by their hostess.

PICKERING.

The first session of the Union Forum was held in the Christian church on Saturday evening, June 28. The program was enjoyed by all.

The Union Forum has been organized with a dual purpose, for the public discussion of vital questions of general interest and the enjoyment of social intercourse. These discussions are expected to have the same effect as Washington Irving proposed in Salamagundi—"to instruct the young, reform the old, correct the town, and castigate the age."

The public of the vicinity is invited to assist in this organization. The meetings are to be held every fortnight in the two churches of Pickering alternately.

The program for July 10 follows:

Song.

DISSOLUTION PLAN APPROVED

Great Harriman Merger Practically Comes to an End.

DECISION IS A SURPRISE.

Louis C. Krauthoff of New York City Named as Commissioner to See Letter and Spirit of Scheme Carried Out—Many Years of Litigation.

St. Paul, July 1.—Federal Judges Walter H. Sanborn, William C. Hook and Walter I. Smith, sitting as the district court of the United States for the district of Utah, approved the plans agreed upon by Attorney General McReynolds and attorneys for the Union Pacific road, and the famous Union Pacific-Southern Pacific merger, known as the great Harriman combine, practically came to an end. The decree will become effective with its filing in the federal court at Salt Lake city, Utah, which probably will take place Thursday.

With the handing down of the final decree, years of litigation came to an end, the first suit of the government to dissolve the merger having been filed at Salt Lake in 1908.

Decision a Surprise.

The decision came as a surprise. There was a brief hearing, at which the government was represented by G. Carroll Todd, special assistant to the attorney general, and the Union Pacific by N. H. Loomis and H. W. Clarke. Then the court took the case under advisement, a number of times calling in the respective attorneys to question them further concerning the plan, but there was no hint that a decree would be given.

Shortly before 4 o'clock Judge Sanborn, presiding, called in the respective attorneys and announced that the court had decided to enter a final decree, approving the plan as presented by the attorney general and the Union Pacific counsel, with practically but one exception.

Named as Court Commissioner.

This exception was the naming of Louis C. Krauthoff of New York city as a commissioner of the court to see to it that the letter and spirit of the plan is carried out. The court also directed him to report to it from time to time.

In brief, the plan, which had the approval of President Wilson, presented by the attorney general and counsel of the road, and approved by the court, provides that the Union Pacific shall exchange $38,000,000 of its $126,000,000 holdings in the Southern Pacific for the Pennsylvania railroad's entire holdings in the Baltimore and Ohio—virtually an equal amount; that the remaining $88,000,000 shall be sold to the general public through the Central Trust company of New York; that no present stockholders in the Union Pacific, continuing as such, may buy any of the Southern Pacific stock so sold; that the transaction should begin Nov. 1, 1913, and if not conmplete by Jan. 1, 1916, the court should direct the disposition of any Southern Pacific stock remaining unsold.

BLUES LINK ARMS WITH THE GRAYS

Foes of Other Days Troop Side by Side Over Battlefield.

WAR ENDED FOR ALL TIME.

Women Who Welcomed Northern Hosts in Long Ago Sing "Rally Round the Flag, Boys," and Hearers Weep—Breeze Tempers Heat.

Gettysburg, Pa., July 1.—Over the field of Gettysburg, where 150,000 men in blue and gray fought with the weapons of war fifty years ago, the soldiers of peace from the north and south, the east and the west, trooped to the tented city of brown where they will live in the four days of the semi-centennial celebration. It was an army united in sentiment and united in fact, for the blue linked arms with the gray. They marched the dusty road together from the village, they sat down at the same mess tables and they talked over the war before the same campfires. If there was any rancor in any heart, any feeling of bitterness, it didn't come to the surface, and over the broad expanse of the "city" reunions of those who won and those who tried, went on hour after hour.

Nearly 40,000 Arrive.

Officials of the regular army in charge of the camp estimated that nearly 15,000 veterans came in during the day, bringing the total close to 40,000, probably the greatest army that ever assembled on Gettysburg field after Lee and Meade left it to glory and to history. The sun blazed just as fiercely as ever, but down from the Blue Ridge tumbled a lively little breeze, carrying vigor to the tired veterans. In consequence of this relief there were fewer prostrations and the surgeons in charge of the relief and hospital stations hoped that the list of the sick and dead would be small.

The program of the celebration was taken up today. There was a reception by the survivors of Buford's division of Meade's army and Wheeler's division of Lee's. The meeting was held in the big tent set aside for the speech-making of the celebration, and began fifty years to the hour from the time when the first shot preceding the battle was fired.

Exchange Pledges.

The gray cavalrymen who fought the skirmishes that led up to the three days' fight pledged themselves in the shadows of the Stars and Stripes to "forget," and their brothers in blue swore by the stars and bars that the fight was over for all time.

There were several women from the village in the tent and six one-time school girls, gray-haired and aged now, sang "Rally Round the Flag, Boys," while the veterans wept like boys, but with pride. The six women who sang the battle song were among those who thronged the streets of Gettysburg after the advance guard of the southern army left it fifty years ago. On that night when Buford's men came riding into the village on the heels of Wheeler's men in gray, maidens strewed flowers along the streets, and bells in the churches pealed out the news of the coming of the blue and the town went wild. Of all the scores of girls who welcomed the vanguard of Meade, only a half dozen could be found, and they stood, white-haired, with tears in their eyes, on a platform in the big tent and sang to the weeping soldiers in the seats below.

"I'm afraid we can't sing like we sang fifty years ago," said the matronly woman who acted as leader, as she led the way up the steps to the platform.

"We don't care; just sing again," shouted the veterans. As the first notes of the war melody came from them in quavering tones, the veterans both of the north and of the south sat quiet, with eyes fixed upon the singers. The hum of the chorus came from every side and old men wept openly.

SHE GAVE UP ALL HOPE

Physicians Failed To Help Mrs. Green, But She Finally Found Relief in Cardui.

Meetze, Va.—Mrs. J. C. Green of this place, says: "I suffered with womanly troubles so that I could hardly sit up. Two of the best doctors in our town treated me, and I tried different medicines, until I gave up all hope of ever getting well.

One day I decided to try some Cardui. It did so much for me that I ordered some more, and it cured me! Today, I feel as well as I ever did in my life.

The pains and the trouble are all gone. I feel like another person in every way. I wish every sufferer could know what Cardui will do for sick women."

A few doses of Cardui at the right time, will save many a big doctor bill, by preventing serious sickness.

It tones up the nervous system, and helps make pale cheeks fresh and rosy.

Thousands of weak women have been restored to health and happiness by using Cardui. Suppose you try it.

LARGER ARMY FOR EMPEROR WILLIAM

Chancellor Wins Fight With Parliament for More Men.

Berlin, July 1.—The German government obtained from the imperial parliament the entire army increase it had demanded, including the new cavalry regiments.

Imperial Chancellor von Bethmann Hollweg purchased this consent from the house by his acceptance of a proposal to reform the military code of justice introduced by the Socialists, in consequence of the severe sentences pronounced by a court-martial at Erfurt. Five reservists were then condemned to five years' imprisonment, another to one year and a seventh to seven months for participating in a dispute in a saloon and fighting two policemen, after the annual muster of the reserves.

Only the Socialists, the Poles and the Alsatians in parliament voted against the final reading of the armament bill, which increases the peace strength of the German army by 4,000 officers, 15,000 non-commissioned officers and 117,000 privates, bringing the total of the permanent force up to nearly 870,000 men.
